

# Agroflorestas

The background of the slide is a dark, almost black, gradient. It is decorated with several thick, wavy, overlapping lines in shades of bright green and deep purple. The lines flow across the frame, creating a sense of movement and depth. The word 'Agroflorestas' is positioned in the upper left quadrant, rendered in a light green, serif font with a subtle drop shadow.

Figure 8. LUS at the benchmark sites ranked for plant diversity (V-index)

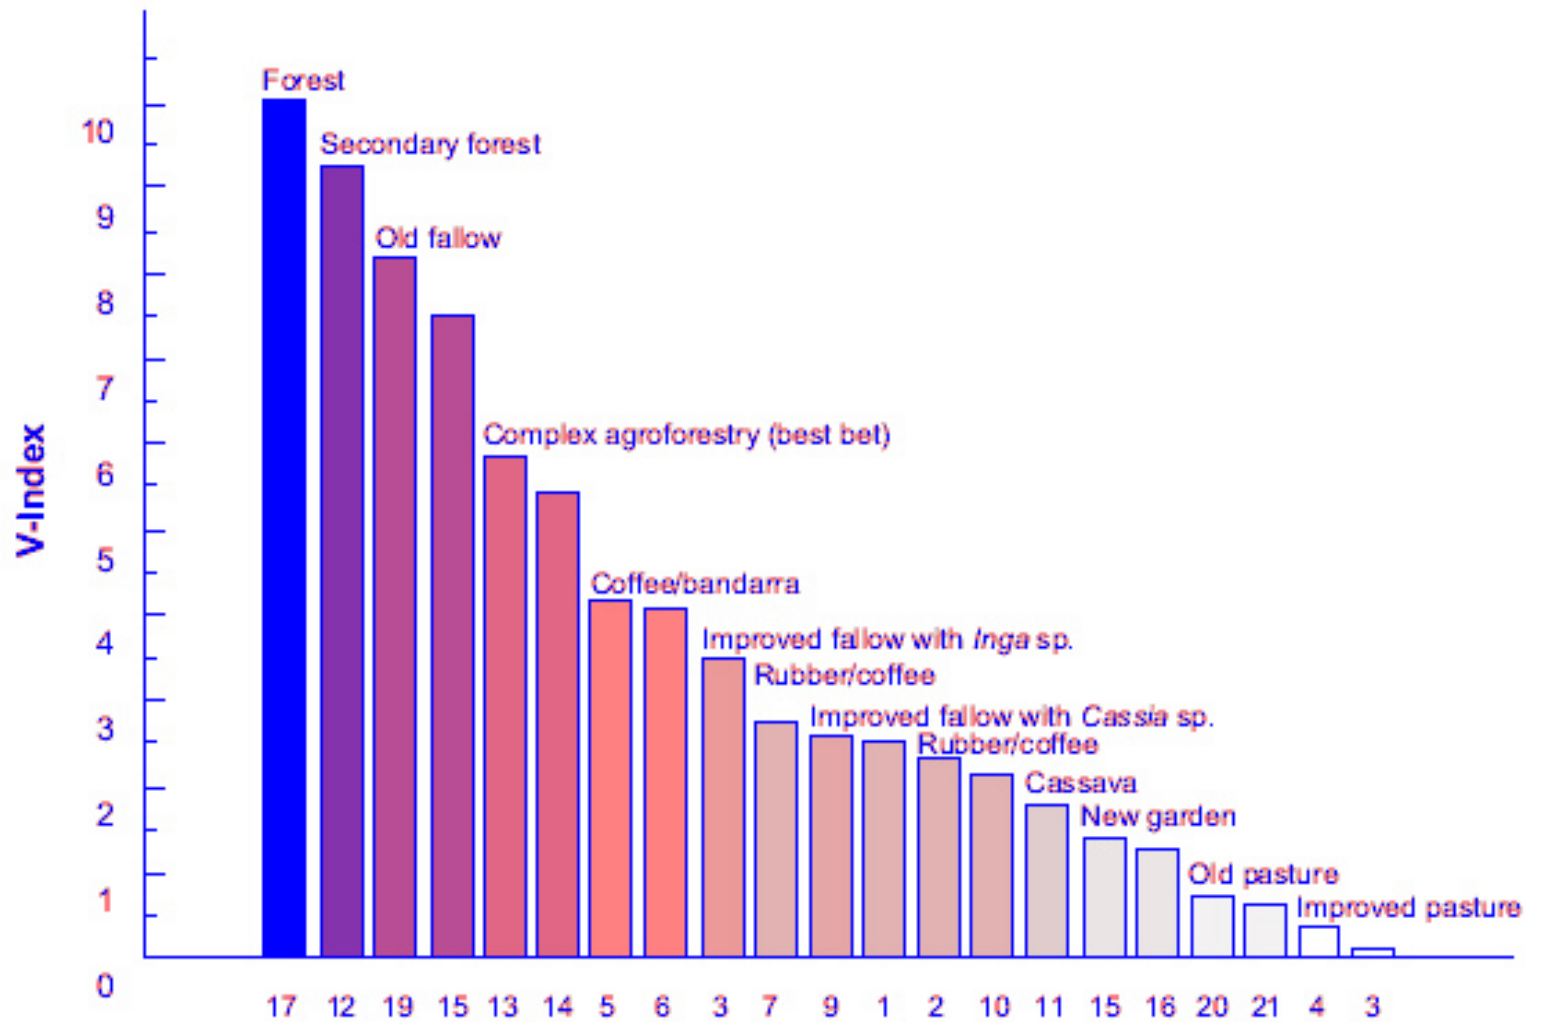

Figure 7. Above-ground carbon accumulated in LUS sampled at benchmark sites

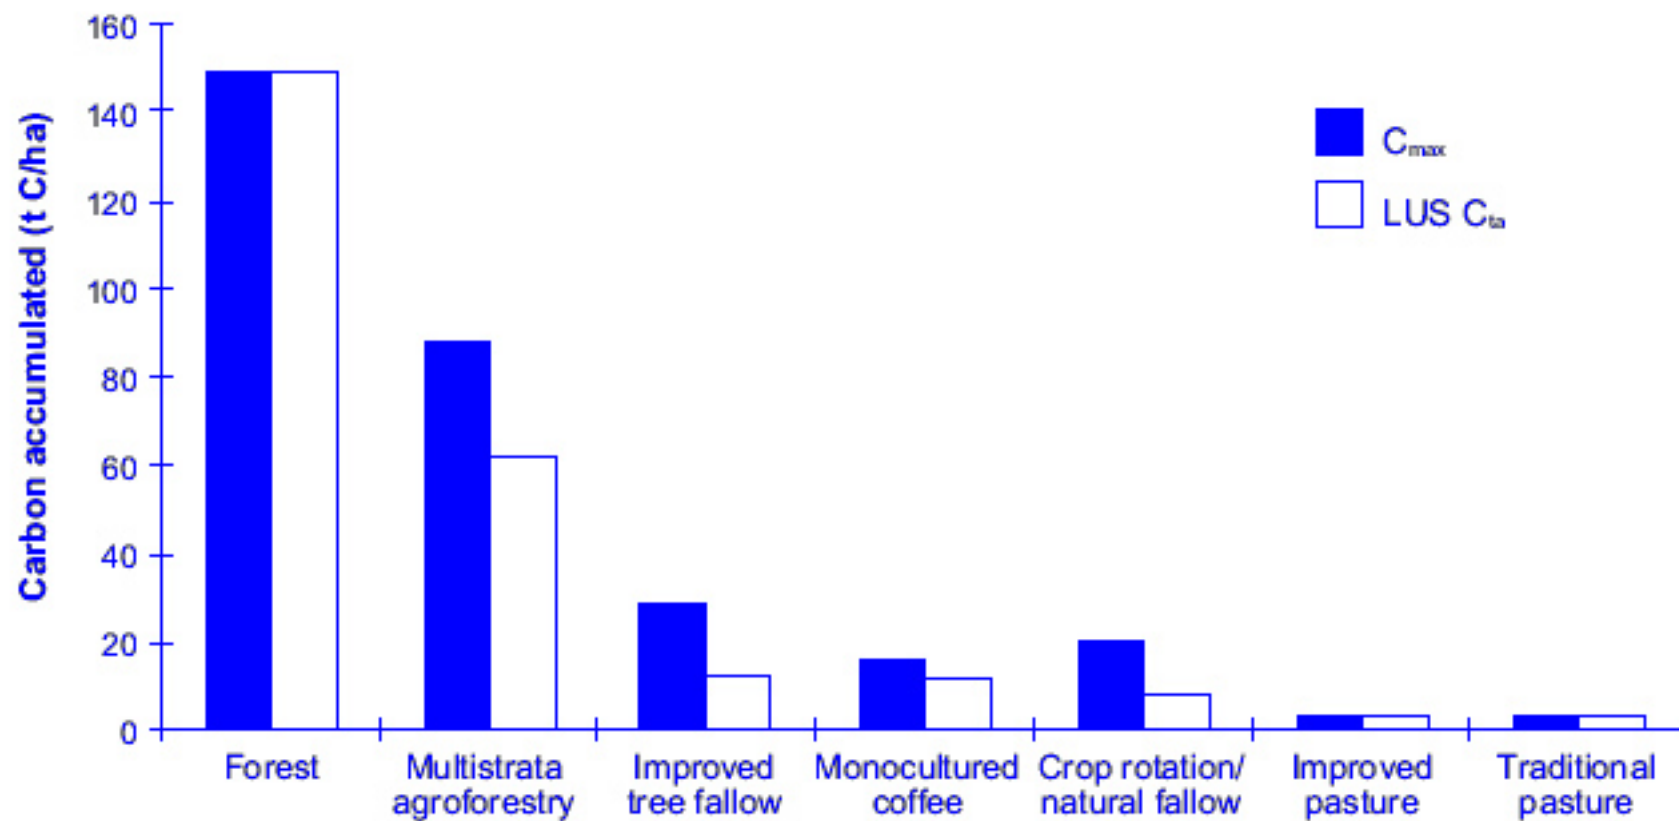

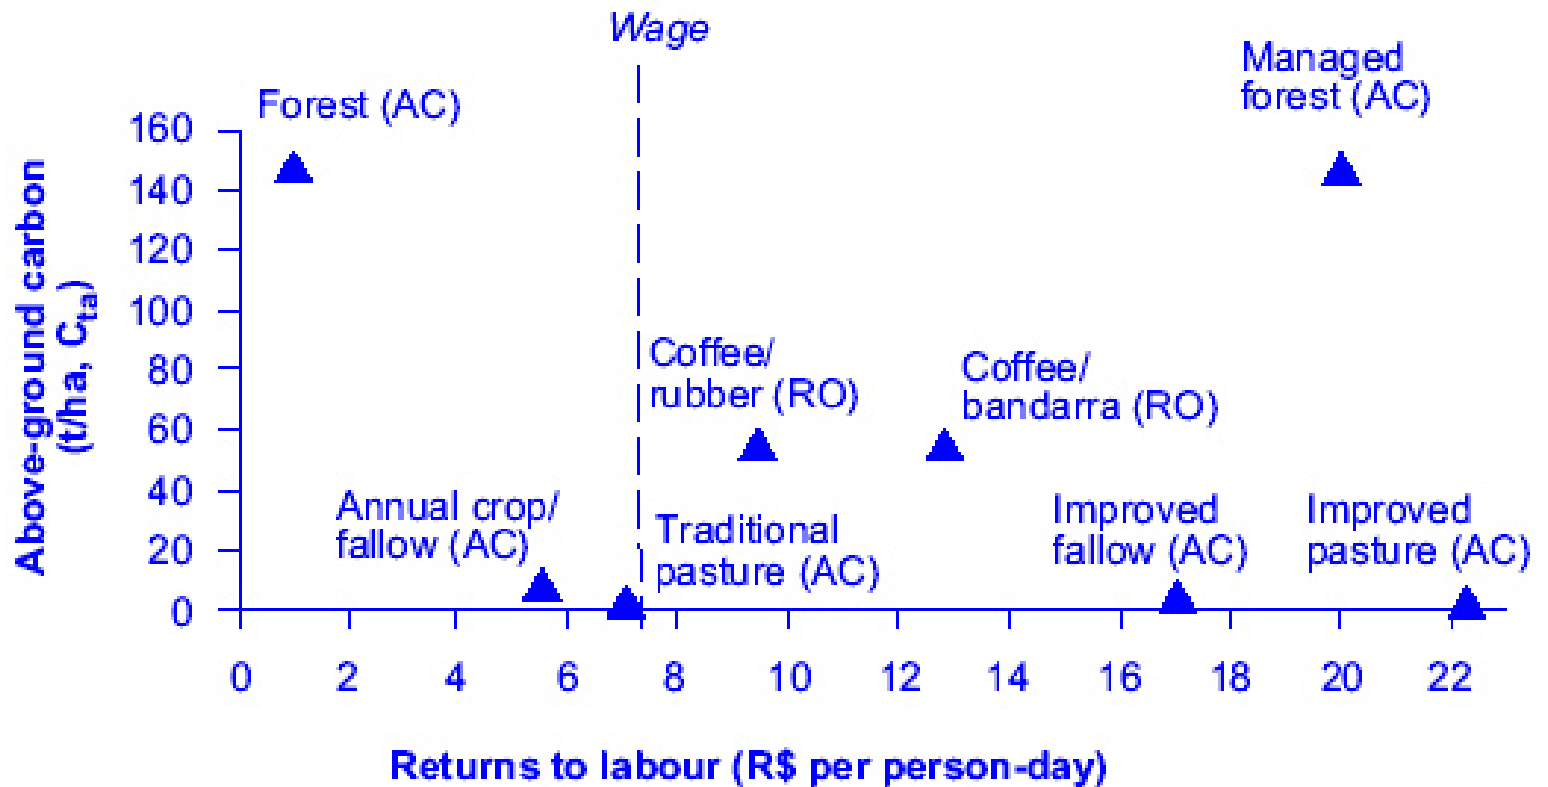

Figure 13. Tradeoffs between LUS: above-ground carbon versus returns to labour
